What does "other" mean? Gratis?

Illustration 109

Copies served for this issue - number of subscriptions served this issue (no grace)

N/A **Grace copies served** - copies served to expired and unpaid Bill-Me subscriptions

On main file **Adjustment copies served** - free issues making up claims for lost copies, etc.

Earned income for this issue - revenue (from deferred income) for copies served

Recaptured copies - copies previously reported as grace or unpaid, where subscribers have since renewed or paid for Bill-Me subscriptions

Recaptured earned income - the dollar value of the above

Not in main file only? **Service stopped/non-payment** - bill-me subs stopped for non-payment → Restarted stopped

→ **Expires since last issue** - copy count of expires

Active subscribers left - count of active subscriptions on file after the update

Copies still to serve - copies left to serve after the update

Deferred income - the total amount of income still deferred after the update. Also represents the outstanding liability owed to subscribers for unserved copies

Suspended subscriptions - the number of subscribers whose subscriptions can not be completely fulfilled - moved with no forwarding address for example

Copies remaining to serve - copies for the above

Unearnable deferred income - the amount of money owing these subscribers
